

Rudd-Rockford-Marble Rock Community Schools Laptop Usage Fund

Please read this entire document regarding your students' protection against damage and loss of the loaned computer equipment in your care. This form must be completed and marked Yes or No before the computer will be provided to the student(s).

COVERAGE AND BENEFIT

This agreement covers the computer loaned to the student against all damage or loss over \$250.00. Accessories valued less than \$250.00 are not covered. Coverage is 24 hours per day. Total value will be determined at the time of the loss or damage. In no case shall the value be greater than \$1200. In the event of damage or loss, this agreement will pay anything above the \$250 deductible. You will be responsible for the \$250. Any negligence, malicious or intentional damage to, or loss of, the equipment will result in full replacement cost by the student and family.

EFFECTIVE AND EXPIRATION DATES

This coverage is effective from the date this request form and premium payment are received by the school through the date at which the computer is asked to be returned in good order to the school.

DEPOSIT

The total refundable, non-transferable deposit is \$50.00 per year. It is agreed and understood that the \$50.00 deposit allows the student to take the computer home on a daily basis. This deposit will be applied toward the cost of any damage/repairs incurred throughout the year. If no repairs are needed the entire/remaining deposit will be rolled over into the next school year. If there is a balance below \$50.00, the difference will need to be made up before taking the laptop home the next school year. This deposit may be refunded upon your request after the laptop has been evaluated for damage.

If parents choose not to pay the \$50.00 deposit, students will be able to use the computer at school but will not be allowed to take the computer home. A separate application will be needed for each computer covered.

INTERNET ACCESS PERMISSION LETTER TO PARENTS **Code No. 605.9E1**

Your child has access to electronic communication known as the Internet. The Internet is a collection of more than 20,000 interconnected computer networks. The vast domain of information contained within Internet's libraries can provide unlimited opportunities to students.

Students will be able to access the Internet through their teachers. Individual student accounts and electronic mail addresses will not be issued to students at this time. If a student already has an electronic mail address, he/she will not be permitted to use the address to send and receive mail at school.

Students will be expected to abide by the following network etiquette:

- The use of the network is a privilege and may be taken away for violation of board policy or regulations. As a user of the Internet, students may be allowed access to other networks. Each network may have its own set of policies and procedures. Students will abide by the policies and procedures of these other networks.
- Students will respect all copyright and license agreements.
- Students will cite all quotes, references, and sources.
- Students will only remain on the system long enough to get needed information.
- Students will apply the same privacy, ethical and educational considerations utilized in other forms of communication.
- Student access for electronic mail will be through the supervising teacher's account. Students should adhere to the following guidelines:
 - a. Others may be able to read or access the mail, so private messages should not be sent.
 - b. Delete unwanted messages immediately.
 - c. Use of objectionable language is prohibited.
 - d. Always sign messages.
 - e. Always acknowledge receipt of a document or file.
- Students accessing Internet services that have a cost involved will be responsible for payment of those costs.

Please sign the form if you would like your child to be granted Internet access and return the permission form to your child's school.
